

Urgent Appeal

CCND Needs a New Website!

It's really time our website was updated. We need to enable members to sign up, and pay, online. We need an effective webshop so you can buy t-shirts and order packs of leaflets for your street stalls, meetings, or to distribute in church. We need to be able to add photos of recent events really easily (for those of us who are not experts in HTML!). We need a members's section where we can add members' news and photos. We need to have a website which we are proud of, and can happily direct interested persons to. What we have now is not it!

The excellent GreenNet can build a basic simple one for us, but it will cost around £1,500, which is money we don't have.

If you are lucky enough to be able to help, please can you spare a few pounds? Found a few bob down the back of the sofa? Send us whatever you can afford.

We are sorry to ask you, dear members, because of course we have just sent out a letter informing you of our increased membership prices — and thank you to those who have responded by sending membership subscriptions, in many cases before your sub is actually due. Don't worry, we have increased the subscription period on your membership if you have

paid early.

All donations gratefully received!

Send any cheques etc to CCND at 162 Holloway Road, London N7 8DQ. Many thanks.

In the meantime, please remember that our new membership recruitment flyers are available (and taking up space in the office). If you have a mailing and can send some out get in touch and we will send you a bundle. If you think you can distribute them in your local church or meeting house, just ask and we'll put them in the post to you.

The flyers were produced using a bequest from a dear member's will and we would like them put to good use.

Thank you.

NCPO Election Briefing 2015
